

**09/21/2008: US Life and Annuity Company Goes In Production  
on Aquilan's Patriot Manager™ AML Solution**  
*Using Patriot Manager Company Automates Anti-Money Laundering Program*

**AUSTIN, TX – September 21, 2008** – Aquilan, a leading provider of anti-money laundering compliance and fraud solutions, today announced its client, a boutique provider of annuities in the US and Latin America successfully went into production with Patriot Manager, an automated AML compliance solution.

This company joins a growing family of insurers that have taken a strong stand to defend against money launderers and terrorist financiers. By implementing Patriot Manager with their primary administration system, the company has automated transaction monitoring, customer risk assessment, profile generation, and relationship analysis, as well as gained access to automated regulatory reports and complete electronic audit trails.

With 100,000 contracts now being monitored by Patriot Manager, the company has begun phase two of the project, integrating the second administrative system. At the conclusion of this project, all the company's contracts will be monitored by Patriot Manager, complying with USA PATRIOT Act requirements.

"We are very pleased that this small but elite annuity provider is in production with Patriot Manager," said Cliff Hagler, Aquilan's CEO. "Their project has again proven that Patriot Manager is an economical and effective AML solution, not only for very large companies but also for smaller companies with limited resources."
